THE LEADING PLATFORM FOR SECTOR NEWS, VIEWS & DEVELOPMENTS WORLDWIDE

Sports Venue Business

Sports Venue Business (SVB) is the only platform dedicated to providing an access-all-areas pass to the sector's key influencers and decision-makers, with information delivered via media-rich formats, from videos and case studies to beautifully illustrated featured articles and in-depth interviews.

The portal acts as a gateway to sector-driven news and views, from procurement opportunities and details on the latest venue developments, to the trending issues and best practices. Thanks to **SVB's** high quality content, the website achieves 6.6K-plus unique user visits and 22K-plus page views per month.

The platform is further complemented by our Weekly e-News Report, which delivers industry interviews, featured articles, videos and the latest news directly to some 28,550+ high level executives.

SVB also benefits from unrivalled exposure across Social Media, with the '**Sports Venue Business**' group page on **LinkedIn** boasting 3,395+ members, the SVB **Facebook** page benefitting from 5,000+ followers, and company Founder & CEO, Katie McIntyre's Twitter feed (**@SportsVenueBiz**) having some c.2,250 followers. **One LinkedIn post received almost 200 likes and 13,300+ views.**

The offering is rounded off with the **SVB Directory**, which enables sports architecture & design practices, engineering firms & contractors, producers & suppliers, and conference & trade show organisers to showcase their services and signature projects. In addition, the venues themselves can highlight their key amenities and upcoming developments.

What the industry says...

"Sports Venue Business has been a great platform to showcase KSS and our latest sports projects. We continue to have fantastic exposure across a variety of channels, including two videos on our National Indoor Arena in Dublin. We like the cross platform, video rich format of Sports Venue Business for all the latest news and developments in the sports industry." - **KSS Director, Andy Simons**

"Sports Venue Business is a terrific group to join, share industry insight and expertise"
James A. DeMeo, M.S., Security Expert

"Great Forum!"
Roger Hooker,
Head of Production, FIA Formula E

"...thank you for the opportunity on the interview for Sports Venue Business. I have received lots of feedback from colleagues, friends and even found some new acquaintances..."
